Explanatory Notes for Appendix II, III and IV

1. The abridged accounts in the forgoing statements are based on the Finance Accounts for the year 2003-04-Government of Nagaland and are subject to notes and explanations contained therein.
2. Government accounts being mainly on cash basis, the revenue surplus or deficit has been worked out on cash basis. Consequently, items payable or receivable or items like depreciation or variation in stock figures etc. do not figure in the accounts.
3. The capital outlay represents capital expenditure booked in the accounts.
4. Under the Government system of accounting, the revenue surplus or deficit is closed annually to Government account, with the result that cumulative position of such surplus or deficit was not ascertainable. The balancing figure of Rs.127.72 crore as on 31 March 1983 was, therefore, treated as cumulative surplus for drawing up the first Statement of financial position for 1982-83 which took the place of balance sheet. The current figure as on 31 March 2004 was Rs.419.14 crore after accounting for the revenue surplus of Rs.546.80 crore during 2003-04.
5. Suspense and Miscellaneous balances include cheques issued but not paid, inter-departmental and inter-Governmental payments and other pending settlements.
6. The closing cash balance as reported by the Reserve Bank of India was Rs. 222.37crore (debit) against the general cash balance of Rs.341.13 crore (credit) shown in the accounts. The difference of Rs.118.76 crore (credit) as on 31 March 2004 is under reconciliation (January 2005).
