

# PAC to verify government projects

**KOHIMA:** Under the chairmanship of Dr. Neikiesalie Nicky Kire, the Public Accounts Committee (PAC), Nagaland Legislative Assembly would be undertaking spot verification at government projects on June 6 and 7 in connection with the examination of the C&AG report of India for the year 2007-08.

The Public Accounts Committee would visit Naga Hospital Authority Kohima under health and family welfare department and Dzulakie riverine project under fisheries department on June 6 at 9am, 12noon.

On June 7, the Public Accounts Committee would visit CIHSR (Referral Hospital) under health & family welfare department at 9am and heavy fuel oil based thermal power plant, Dimapur under planning & co-ordination department (Power) at 12noon.

Further the team would visit the food & civil supplies godown under the department of food & civil supplies

and old DCs office complex at Chumukedima at 2pm and 3:30 pm respectively.

All Public Accounts Committee members have been requested to be available

during the verification period and also directed all departmental representatives to be present at the project site to assist the committee.
